

Savoir Faire

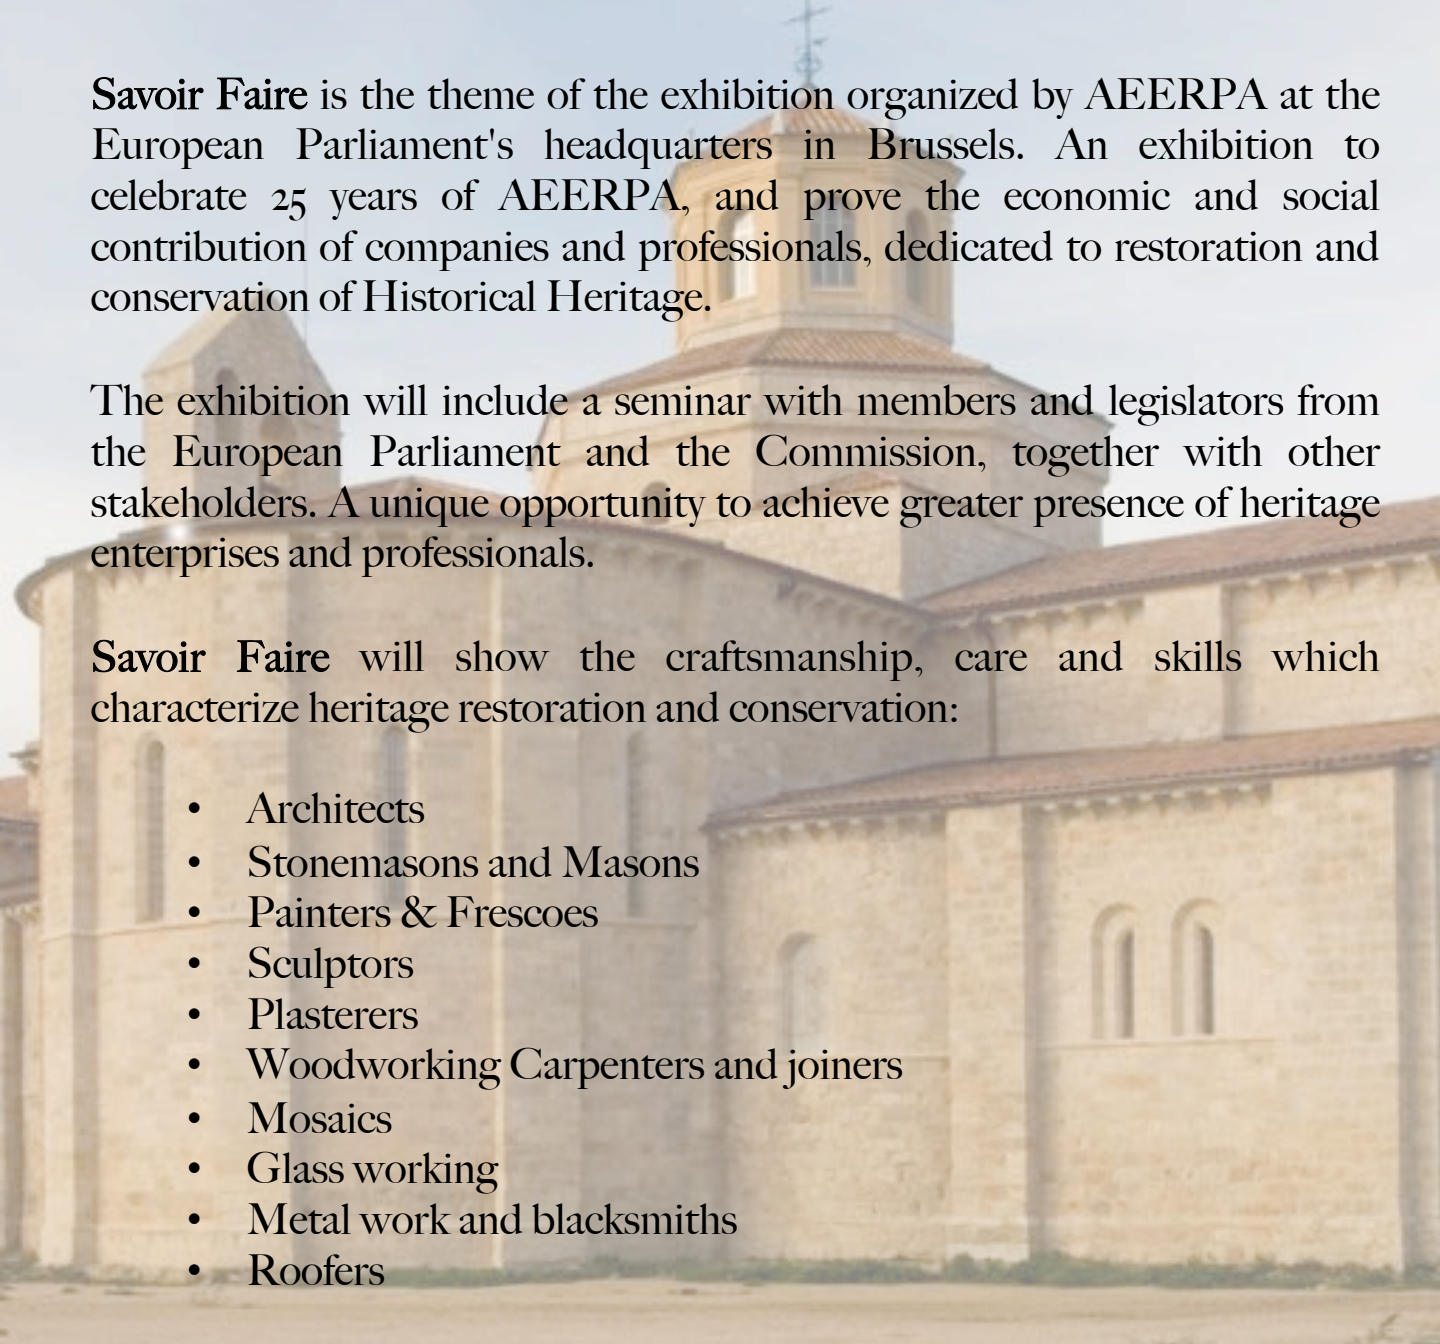

The exhibition of
heritage restoration
companies

27th – 30th june 2017
Brussels

Hosted by:

Verónica Lope Fontagné MEP
Cristina Gutiérrez – Cortines PhD

Savoir Faire is the theme of the exhibition organized by AEERPA at the European Parliament's headquarters in Brussels. An exhibition to celebrate 25 years of AEERPA, and prove the economic and social contribution of companies and professionals, dedicated to restoration and conservation of Historical Heritage.

The exhibition will include a seminar with members and legislators from the European Parliament and the Commission, together with other stakeholders. A unique opportunity to achieve greater presence of heritage enterprises and professionals.

Savoir Faire will show the craftsmanship, care and skills which characterize heritage restoration and conservation:

- Architects
- Stonemasons and Masons
- Painters & Frescoes
- Sculptors
- Plasterers
- Woodworking Carpenters and joiners
- Mosaics
- Glass working
- Metal work and blacksmiths
- Roofers

Come and join the effort of AEERPA, the heritage companies, to influence where it matters, to those who decide.
